Yes, if the 700 or the 701 N Vermont cannot be used I need to start the process for the new location.

Hi Aram,

Due to the size of 300 Juanita, we may not be able to clean it with this many other locations. It takes most of the day on it's own.

A couple of the tents that were on The 700 block of Vermont Ave have moved just on the other side of the corner of Vermont and Monroe to the Monroe side. Do we need a new authorization for these? They are essentially a continuation of the Vermont encampments

Hi Renee

I just noticed that there is a mistake with 701 Vermont. 701 Vermont @ 7th Street should be south Vermont, not north and that's outside of our district. That makes sense because we don't have encampments at 701 N Vermont.

Same goes for 776 Vermont @ 8th Street. Should be south and outside CD13.

The correct ones are 700 N Vermont @ Marathon and 760 N Vermont @ Monroe. But these 2 are essentially 1 very long row of encampments.

You also mentioned 3445 John St has expired. Does that mean we won't be able to get to that on Tuesday? If so, then we will most likely have enough time for 300 N Juanita, I think.

Can you advise on all of these points?

Thank you!
